3

Term

Autumn 1

COMMUNITY

Our families will be involved in our topic right from the very start when on our Wow day we will be proud to share about our own cultures and religions. We will respect each other's differences and understand that we are all equal and all contribute to making Coventry a City of Culture.

OUR DRIVERS

POSSIBILITIES

We will learn that it is possible to make links between different cultures and we will show creativity and courage to think of ways how our differences can be celebrated.

MINDFULNESS & GROWTH

We will show resilience and patience when looking at how cultures in Coventry once clashed and how peace has come from that. We will celebrate each other's cultures and backgrounds. We will reflect on and celebrate our differences and similarities.

INITIATIVE

We will show respect, freedom and independence in finding out about Coventry's past stories. We will show curiosity and when learning about our different cultures. We will show enthusiasm when considering how we can contribute Coventry being a city of culture.

British Values

Respect - We will respect other people's life cultures and know that we are all Different but all equal.

Democracy - We will all have our thoughts, ideas and culture stories heard.

Individual liberty - We be proud to tell others about our cultures in the way we wish to do so.

Mutual respect - We will listen enthusiastically to everyone with different faiths and beliefs and for those without faith.

Coventry: A city of Culture

WOW!

Time capsule buried on school field
Children dressed to represent their cultural background, various activities to celebrate our different cultures.
Bury our own time capsule.

EXPERIENCE

Visit to Herbert Art Gallery and Coventry Transport Museum passing past Coventry Cathedral to follow the Coventry timeline.

CREATE

Children will create child friendly leaflets following their visit to explain and inform about Coventry being a City of Culture.
