

WOW!

We will receive a letter from Marvel explaining that they want to design a new superhero. We will be thinking about our senses and create amazing fantasy heroes. We will be writing applications and we will wait to see who they choose.

EXPERIENCE

We will be having a workshop in school to learn all about Florence Nightingale who is a historical real life Hero. We will be learning about her life through drama strategies: acting out her life story and understanding how she changed hospitals in the past.

CREATE

We will create our own plaques to celebrate "our heroes" We will be writing about why they should be a pride of Britain and invite our parents in to see our expedition.

Superheroes: do they live amongst us?

We will discover the amazing work people do in our community and how superheroes really do live amongst us.

We will understand that it is possible to be a hero if we show our values to help and make a difference to someone else.

We will understand the values it takes to be a hero and that we can always change the choices we make.

We will use our initiative to plan a ways to help people in our community; fund raising and showing we are heroes!

liberty
law
respect

democracy
tolerance

British Values

Respect - We will respect other real life heroes and be thankful for how they have changed the world we live in. We will also respect those that keep us safe and happy.

Democracy - We will all have our thoughts, ideas and stories heard. We will vote on how we can help others in our community.

Individual liberty - We will believe in ourselves.
