## Year 2 Home

## Learning

## Reading - Read every day for 15 minutes.

Remember the more you read, the better you get! You will have 3 reading books. A reading skills book, a fluency reading book and a reading for pleasure book. Your reading skills book you will need to read with an adult and your reading for pleasure book can be read anywhere at any time. Remember to get an adult to sign your diary every day that you read. You can choose which book to read each day.

## Spellings - Practise 3 times a week.

The spellings for each week are on the inside of the
 front cover. Use the space to practise at least 3 times a week. These will not be marked but you will be tested on these words every Wednesday.

## Maths - Complete once a week.

Maths homework will be issued every Friday. This needs to be completed and returned to school by Wednesday so it can be marked. Remember to complete all sections of the table.

## Theme - Complete once a week (optional)

If you want to, choose an activity from the Theme grid each week (this is optional). Either complete it in your book or stick it in. If you do something creative, add a photo to showcase your amazing work. Complete and return your book by Wednesday so it can be marked.
