## Year 5 Homework

## Reading - Read every day for at least 15 minutes.

Remember the more you read, the better you get! You will have a school reading book and you can choose a book from the book corner or school library as your reading for pleasure book. Remember to get an adult to sign your diary every day that you read. You can choose which book to read each day. Once you have read your book, ask your teacher or teaching assistant to swap your book for a different one.

## Spellings - Practise 3 times a week.

The spellings for each week are on the inside of your homework book. Use the space in your book to practise at least 3 times a week. These will not be marked but you will be tested on these words every Friday.

## Maths - Complete once a week.

Maths homework will be issued every Friday. This needs to be completed and returned to school by Wednesday so it can be marked. Remember to complete all of the sections.

## English - Complete once a week.

English homework will be issued every Friday. This needs to be completed and returned to school by Wednesday so it can be marked. Remember to complete all of the sections.

## Theme - Complete once a week (optional)

If you want to, choose an activity from the Theme grid each week (this is optional). Either complete it in your book or stick it in. If you do something creative, add a photo to showcase your amazing work. Complete and return your book by Wednesday so it can be marked.
