## 1. Aims

Hill Farm is committed to ensuring that every child of compulsory school age is receiving an excellent full-time education which will give them the opportunity to build their own futures. Parents/carers have a duty to ensure children are receiving suitable full-time education, either by regular attendance at school or otherwise.

If a child is not in school, they are at significant risk of underachieving, becoming victims of abuse, and becoming NEET (not in education, employment or training) later in life.

Children may not be attending or may leave school for a number of reasons, but if they are of compulsory school age, then parents, schools and local authorities have a responsibility to ensure the continuity of their education.

The purpose of this policy is to set out clear & robust procedures in order to try and locate children who are absent from school and their family whereabouts is unknown.

## 2. Legislation and guidance

The European Convention for the Protection of Human Rights and Fundamental Freedoms, Article 2 of protocol No 1 states:

“No person shall be denied the right to education”

Section 436A of the Education Act 1996 requires all local authorities to make arrangements to establish the identities of children of compulsory school age in their area who are not

registered pupils at a school, and are not receiving suitable education otherwise than at school.

Regulations 8(f) and 8(h) of the Education (Pupil Registration) (England) Regulations 2006, as amended, place a duty on schools and local authorities to jointly carry out reasonable enquiries to try and locate pupils absent from school whose whereabouts are unknown.

### **3. Definition – Children Missing from Education (CME)**

This policy refers 'to any child of compulsory school age who has been registered at a formally approved education setting, e.g. school, academy, alternative provision, independent school or elective home education, and has been out of education provision for a period of time.

This might be:

- A child who is not at their last known address and:
- has 5 or more days of continuous absence from school without explanation, or:
- has left school suddenly and their destination is unknown.

This policy does not refer to children who are missing from view or absent from Home or Care. When a child goes missing from the home, or from care, or where the school has significant safeguarding concerns for the child, the school will refer these children immediately to the Children's Services, and/or to the Police.

### **4. Roles and responsibilities:-**

#### **i) Parents/carers role**

Parents have a responsibility to ensure that their children of compulsory school age are receiving efficient full-time education. Some parents may elect to home educate their children and may withdraw them from school at any time to do so (unless they are subject to a School Attendance Order). Where a parent notifies Hill Farm in writing of their intention to home educate, we will inform the local authority before deleting the child from our admission register. Hill Farm staff complete a proforma and a safeguarding checklist (Appendix 1). If there are welfare concerns we will consult Children's Services.

#### **ii) School's role and duties**

Hill Farm has safeguarding duties under section 155 of the Education Act 2002 in respect of their students and in respect of this they should investigate any unexplained absences.

Hill Farm will monitor student attendance through daily registers and will address poor attendance whenever this occurs. Registers should be completed by 9.00am. The School Office will then contact parents/carers who have not contacted the school. Further phone calls and/or home visits will then be considered, particularly for vulnerable students.

Any child whose whereabouts are known and where this is local, but continues to have unauthorised absences, will be invited in for a meeting to discuss support and complete an Attendance Plan.

For any child whose whereabouts are known and where this is at a distance, but continues to have unauthorised absences, Hill Farm will complete a CME form within ten days, if a child has not already been admitted to a new school. (Appendix 2). A home visit will be completed if necessary as a further check. The CME form is sent to [CME@coventry.gov.uk](mailto:CME@coventry.gov.uk).

Hill Farm will also arrange appropriate education for excluded students up until the sixth school day of a fixed period exclusion. If the student is permanently excluded, the Local Authority will arrange provision from the sixth day onwards.

If a child is absent from school and their whereabouts is unknown, Hill Farm will carry out a reasonable enquiry jointly with the local authority to ascertain the whereabouts, which might be a result of:-

- The family moving within the city but the parents fail to inform the school of the house move or transfer to a new school.
- The family move out of the city and relocate to a new area within the UK but parents fail to inform the school.
- The family relocate abroad and fail to inform the school of their destination.
- The family is displaced as a result of 'crisis' e.g. domestic violence, homelessness.
- Parent/school disagreement and parents withdraw the child from school.
- Family separation.

In these instances, Hill Farm will ensure the following actions are taken and recorded:

- Consider the likely reason for the absence – has the family been granted leave of absence or is the school aware of an extended trip abroad; has the child been absent due to sickness or unavoidable cause? If not:
- Make a first day of absence call to the parents to establish the reason for the absence and to confirm the child's whereabouts. If there is no response from primary carers, emergency contacts will be contacted next.
- Check with all members of staff with whom the child may have had contact.
- Check with the child's friends, siblings and known relatives at Hill Farm or other schools.
- Make enquiries with other professionals who have been involved with the child.
- Make telephone calls to any numbers held or identified.
- Conduct a visit to the last known address of the child within the first five days of the child's absence.

- If possible, enquire of neighbours about the location of the family.
- Leave a note at the last known address and record the outcome.
- After 10 days, a Child Missing from Education form is completed and sent to CME@coventry.gov.uk.

This form will be completed and returned to SEN@coventry.gcsx.gov.uk, with the letter from a parent removing a child from roll. A second copy will be stored in the child's school file.
